Winpisinger Center Enrolling for Online Leadership Classes

From goiam.org

The Machinists Union isn't letting a global pandemic keep from educating members and future leaders. The William W. Winpisinger Education and Technology Center is offering an online adaptation of their Leadership I program June 14-25 and July 12-23, 2021.

The programs are scheduled to accommodate varying work shifts and time zones with the June class beginning in the evening and the July class beginning in the morning. Both classes include 17 hours of online sessions and approximately 7 hours of off-line assignments over a two-week period. Participants must enroll through their local or district lodges.

"I'm very excited to see this program put into action," said IAM International President Robert Martinez Jr. "Education of our membership has always been the cornerstone of our union and we can't wait for it to be safe to travel and gather in large groups to provide it to them. Thank you for the Winpisinger Education Staff for their tireless efforts in getting this up and running."

Business Representatives and Local Officers can enroll members using this link [W3 Online Class Registration](#) and selecting the appropriate Program via the dropdown menu. Participants who complete a program will receive a certificate and are eligible to participate in next level leadership program either online or in person. As is the case with in-person Leadership Programs, availability of lost time for participants solely at the discretion of the enrolling local or district lodge.

In addition to the online Leadership I Program, the Winpisinger Center is also providing online programming for full-time staff centering on critical bargaining and arbitration skills.

If you are interested in signing up for the virtual Leadership programs please reach out to Educator Mike Stark via email at: mikestark12@gmail.com

Seniors Corner: Take Action

From actionnetwork.org

We must build a stronger and more representative democracy. To create the kind of change voters want to see, the Senate must pass the For the People Act — a once-in-a-generation democracy reform package to clean up our political system, expand and protect voting rights, get big money out of politics, hold elected officials accountable for corruption, and create a democracy that values the voices of all Americans.

The House passed the For the People Act in early March 2021. Now, it will go to the Senate where Democrats hold the majority and must use that majority in order to fix our democracy.

Democracy is connected to many important issues of the day -- the environment, economy, education, racial justice, and health care are all on the line. If Americans are ever going to see progress on the policy issues we care about, we must have a democracy that responds to the needs and priorities of voters - not wealthy donors and corporate interests.

In order to fix our democracy and ensure our voices and votes matter, we must demand the Senate pass the For the People Act (S1).

Sign and send the petition: The Senate must pass S1, the For the People Act, in order to ensure OUR voices are heard.
